Disclaimer:

Care was taken in compiling this data. However, due to the differing quality of source documents and the need to rely on outside sources of information, Bonner County cannot accept responsibility for errors or omissions, and therefore there are no warranties which accompany these materials.

Status, as indicated in the road name list, is generalized for the entire road. For specific road ownership status please check the appropriate recorded documents or with your title company.

A Road indicated as county maintained (shown in bold) does not mean the entire extent of the road has been adopted for maintenance.
